Change effective 9/16/2024: Groomers will make every effort to get your dog done by desired pick-up time; if this cannot be done we will call well in advance of that time. **They will also text you 30 minutes before grooming is complete.** If you do not have a cell phone, we will call you 30 minutes before grooming is complete.

Policy for Grooming cancellations and no shows. We know most people do their best to bring dogs when scheduled and we sincerely appreciate that. If owners are unable to (1) get their dog to an appointment or (2) cancel the appointment before noon on the preceding day, we will require a 50% deposit to hold the next appointment time. Deposit will be forfeited if the dog isn't there for that appointment or the appointment is not canceled before noon on the preceding day. **Thank you** for helping us make more grooming appointments open for all.
