HAPPY CAMPER *spotlight* ↘

Cash

Every once in a while, we meet a camper who reminds us of the heartwarming resilience and spirit of our furry friends. Cash, is one of those remarkable souls. His journey to finding his forever family wasn't easy or straightforward, but it has been filled with love, determination, and a whole lot of tail wags!

Cash first joined us as a foster through Operation Paws for Homes. With his piercing blue eye, charming good looks, and lovable personality, he quickly captured the attention of everyone at camp. However, his high energy meant he needed a very special home, one that could embrace his zest for life and his love for

adventure. After a few months, Cash was returned to the rescue and came back to Camp Bow Wow Towson, where he continued to charm staff and campers alike while waiting for his perfect match.

It didn't take long for one of our Camp Counselors to notice that Cash wasn't just an energetic pup—he was a devoted companion who would go the distance (literally!) for his family. She began taking him on long hiking trips, which quickly became his favorite pastime. And when he wasn't hitting the trail, Cash was having sleepovers at her home, winning over the hearts of the other family members with his snuggles and sweet nature.

Whether it was his good looks, his one-of-a-kind blue eye, or his playful spirit, Cash managed to wriggle his way into her heart—and her home! Today, we are thrilled to announce that Cash has finally found his forever family. He's officially adopted and is off to enjoy a lifetime of hikes, adventures, and endless memories with his new mom and her family.

At Camp Bow Wow Towson, we couldn't be happier to see Cash embark on this new chapter. His journey has been a long one, but his resilience, good nature, and boundless energy have found the perfect match. Here's to Cash and his future filled with love, companionship, and all the trails his paws can handle.

FEATURED CAMPER

Chaos the Great Dane

We're thrilled to spotlight our November Camper of the Month, Chaos! Don't let his name fool you—this gentle giant is anything but chaotic. When Chaos first joined us at Camp Bow Wow Towson, he was a bit on the shy and nervous side. However, over time, he's blossomed into a sweet, spirited pup who captures the hearts of both campers and humans alike!

Chaos has become a favorite on the camper cams, where his affectionate personality and gentle demeanor win over anyone who watches him. He's proof that big pups can be the most tender, and we couldn't be happier to have him here. Whether he's mingling with friends or just relaxing in the yard, Chaos brings a calm yet joyful presence to camp.

Here's to many more playdates with our lovable giant, Chaos!
